

Serial No. 10/782,581

**Remarks**

The title of the invention has been changed to "Technique for Preconditioning Climate Control in a Vehicle" which applicants believe is more descriptive of the claimed invention.

The issue fee in the present application is due on April 13, 2005. As such, it is respectfully requested that the instant Amendment be promptly entered.

Respectfully submitted,

Dated: January 21, 2005
